DARKNESS CANNOT COMPREHEND THE LIGHT PROPHET IN OVERALLS # 189

Darkness

VS

Light

Man was born with sin, to be free of sin, he needs to be saved.

He was born into darkness. Until redeemed, he is bound.

The mind set of those in darkness, drives individuals to flail about in self thoughts. Not knowing what the truth (light) reveals. Trying to reach out to others in the same morass of ignorance (darkness).

We see this stupidity played out in all the world, church political. Any theme that tries to control with the darkness.

Soon the darkness becomes the only reality. A result, the individual reaches out for any relief.

Persuasive. The laws are written, morality legislated and enforced. Trying to keep themselves and others shrouded in their darkness.

Freedom requires the light. The truth of God.

AMERICA DECEPTION

America initially chose the light of God. But as with the Jews, tried to inclusively believe strange gods. Allowing “freedom” of choice. All forms of demonic activities were planted in the fabric of America. The deception grew. Now, literally covered with darkness of all sins.

Perverted Political Corrupt (PC) words to mis lead and control emotions. Some politicians break their oath of office. Putting themselves above the people, they swore to serve. Laws that force the population into more darkness. Lying, deceiving and embracing false religions, cults , and ideologies. Direct contradiction of

the truth of the Word.

Political parties wanting to regain control over the population. In league with the media, they continue to try to wrest lost control of America. Denouncing the truth of God in there party platforms. Darkness on fire.

The church, and its five fold ministry. Given the responsibility to present Godly edicts and obedience in presenting the truth. But alias, the love of mammon became darkness. It perverted the light of the Gospel .

Abortion and sodomy (same sex marriage) have been embraced, a darkness that destroys mankind.

REPENTANCE

To return to the light / truth of God true repentance must be done. Where ever and when ever darkness has taken over, individuals must repent. Asking forgiveness of individuals offended and restitution is appropriate.

2Ch 7:14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

The return to God’s light is the salve of His salvation.

CIRCA 2017

Chaos is when darkness becomes the norm. The end and God’s judgement is on the horizon, be diligent and let the light of the Word be your purpose.

John_8:32 “And ye shall know the truth, and the truth shall make you free.”
